

# ECONOMIC POLICY RESEARCH CENTRE

The Economic Policy Research Centre (EPRC) is Uganda's leading economics research institution. Its mandate is to provide research and other forms of analytical support to Uganda's development process. EPRC uses resources from the African Capacity Building Foundation (ACBF), Government of Uganda and ThinkTank Initiative (TTI) under the International Development Research Centre (IDRC). The Centre is searching for a qualified person with sound professional integrity to fill the position of Principal Research Fellow in its structure to meet the increasing demand for evidence-based policy formulation in Uganda. The Centre is also soliciting for proposals from reputable firms to provide services for internal audit function and EPRC website re-design

## CALL FOR PROPOSALS ANNOUNCEMENT

1. **EPRC seeks proposals from interested reputable firms with proven track record to provide services for:**
  - i) Internal Audit Function
  - ii) Re-designing the EPRC Website

Interested firms should pick and sign for the detailed Terms of Reference (ToR) for each of the above mentioned in (i) and (ii) from the address indicated below and submit their detailed technical and financial proposals in separate sealed envelopes clearly marked "technical & financial" proposal. These should then be sealed in an outer bigger envelope clearly indicating the service being bided for. Each proposal should have a cover letter addressed to the Executive Director, Economic Policy Research. Proposals should be sent to the address indicated below **not later than Friday, November 25, 2011, 5 p.m.**
